## March 2022

Dear Brothers and Sisters in Christ,

God continues to bless Holy Lamb with new and abundant resources for fulfilling his mission. For several years we have been receiving new members who come to us with experience in both administrative and ministry matters in prior churches. At our December voters meeting, we learned that God continues to bless us with financial resources beyond what is necessary to 'keep the lights on and the staff paid.' At that time we talked about developing a path forward to explore additional ministry opportunities as we seek to discern God's will for Holy Lamb as stewards of the blessings he is showering on us. (See Matthew 25:13-30)

This process began over a month ago in our Sunday morning Bible class. We began by looking at the work of the first century Christian church in Jerusalem as they dealt with some shortcomings in meeting the needs of its members. (Acts 6:1-7) We also considered Jesus' instruction to come to the aid of those in need as though we were ministering to Jesus, himself. (Matthew 25:31-46).

Using these passages as the premise for our discussion, we began to identify various needs in our community and among our members. This conversation was expanded to include all of the congregation on January 26. In that Sunday's sermon, I described how Jesus met the needs of all the individuals he encountered, and explained that, after His ascension to heaven, the church has the responsibility to continue His ministry of meeting the spiritual, emotional, and material needs as God has enabled us. I encouraged all members to add to the list that was distributed in the bulletin, in order that we would have as broad a spectrum of identified needs as possible. We followed that with discussions on what kind of ministries Holy Lamb might use to address those needs. Finally, we identified resources already on hand, as well as additional ones that might be needed, in order to develop such ministries. Our initial list of identified needs numbered over 30. In each subsequent step, the needs and ministries selected for further discussion were identified by members of the Bible class, not a few select congregation leaders, nor myself.

We have reached the point that we need to begin the administrative task of creating action plans to implement these ideas. For that process, our president, Ron Hadjuk, and I will assemble a committee to create a skeleton action plan suitable for each ministry that has reached this point in the process. This committee will then bring these proposals to Council for action. Council will determine which ministries to pursue. Each ministry selected by Council will then have its own team to develop a complete plan for making these ministry ideas a reality.

This is an exciting time to be a part of the life and ministry of Holy Lamb. I have never been in a congregation that has made such an intentional effort to identify various needs of congregation and community and then, just as intentionally, seek to discern God's will in determining how to meet those needs.

## Stewardship

Every Sunday, there is a list of stewardship opportunities for the week and sometimes longer. At the moment, we have a special stewardship opportunity every Sunday morning at 9:15 AM --the Sunday morning Bible study . This is recommended to everyone. Come find out more about Stewardship opportunities for our Church.

## Elder's Note

When I was young, my father had a Buick, back when a Buick was a massive sized car. And in that car there was a huge window giving you a panoramic view of what was in front of you, with only a small rearview mirror. Dad would focus on what was in front of us, and only occasionally would look at what was behind him, where he had been, and what was in the past.

In Sunday's sermon message, (February 20, 2022), Pastor Panning made mention several times of our future. In short, while we know God's ultimate future plan for us, the intermediate steps to get there have not been revealed. We oft times dwell on the past, and we do not look ahead as perhaps we should. We do not seek God's will for us in both our individual lives, and the life of Holy Lamb.

Had my father spent too much time looking in the rearview mirror, I am sure we would have run into a ditch along our way. Perhaps, we also should be looking forward, spend less time dwelling on our past as a church, and look forward to what it is God has planned for Holy Lamb. And by the way, we have a 'Buick', where there is a lot of room in it for others to join with us.

*Bret Rhoades, Head Elder*

*(continued from page 1)*

I look forward to this ongoing process. But even more exciting is going to be working together as community of believers as we bring these ministries to life, finding new ways of bringing the Gospel to bear in the lives of our members and community in both word and deed. As more information is developed and shared, I urge you to take it all in and consider how God has blessed you for participation in these efforts. Together, by the power of the Holy Spirit, we can accomplish all that God has in mind for us, and we can rejoice as we see his will accomplished.

In his service,

*Pastor Panning*

## ***Praying in Color-- What is This?***

It is a ministry where we color cards at home while praying for the person it is going to. We add a bible verse and say, "as I colored this card I was praying for you," and sign our first name.

We have received several thank you cards from people grateful for the prayers and cards. God has arranged for some of the cards to arrive on a day when an uplifting message was most needed.

If anyone is interested in joining us in this ministry, please contact Eileen St. Clair and she will start you off with some cards to color and a list of people, and answer any questions you may have about this ministry. Thank you to those of you already praying in color, you have touched lives.

Praying in color reminder: If you have put a name on the list and there is a change in the person's condition, please contact Eileen.

**Ushers Needed**

Our church relies on volunteers to help us run smoothly. Without you, it would be difficult to do the many things we need to do. We are in need of **ONE** volunteer to usher for the 8am service and **ONE** more volunteer to usher for the 10:30am service. Just one hour a month is all we're asking ~ male or female. Please consider helping out with this important part of our worship services.

Contact Bill Steele.  
Thank you!

## Bible Study Opportunities

### Sunday Morning Bible Study

*Holy Lamb in Ministry*

9:15 AM

We are exploring ministry options for Holy Lamb, just as the Apostles, in Acts 6, needed to make determinations on how to meet the needs of that church community. While our needs are different, so are our resources. Determining which ministry activities we will undertake is a spiritual and theological decision as much as a financial and administrative one. And, appropriately, we will address the first two aspects, first. Join in the discussion that begins to look at how Holy Lamb expands her ministry. Share your ideas and ask your questions, in order that the result is truly the best ideas of the entire congregation.

### Tuesday Morning Bible Study

*Revelation*

9:00 AM

We are studying the book of Revelation, the last book of the Bible. This study is often requested and attracts a large attendance because Revelation *can* be so difficult to understand. Many false teachings and misguided understanding arise when individual passages are taken out of context. We have some excellent resources that look at Revelation as one unit. This brings everything into alignment, making the book far easier to understand. If you would like to join us, drop Pastor Panning an email to be included on the mailing list for the study guide pages.

### Wednesday Evening Bible Study

There is no Wednesday evening Bible Study during Lent. Will resume in April

### Thursday Evening Women's Bible Study

Details below on this page

6:30 PM

## Women's Bible Study

The women's Thursday night Bible study meets Thursday evenings at 6:30 on Zoom. All women are welcome to join us! Use Holy Lamb's standard meeting code.

We are using the reading plans provided at [www.shereadstruth.com](http://www.shereadstruth.com). You can find the daily Scripture readings and devotion at their website or sign up for their daily email or download their app. The website and emails are free; some of the plans on the app have a nominal charge. There is also a weekly podcast that discusses that week's readings. *We would love to have you join us! And whether or not you meet with us, this can be another easy way to develop a daily Bible reading habit. (For those men who are feeling 'left out', there is also a 'He Reads Truth' reading plan at the website!)*

On Monday, February 28, we begin our Lenten study of Ezekiel. When the prophet Ezekiel was led by the Spirit of God into the valley of dry bones, the Lord said to him, "Son of man, can these dry bones live?" The prophet replied, "Lord God, only you know." And he was right. Only God can grant life. And by the finished work of His Son, that is exactly what He has done. The book of Ezekiel and the Lenten season, are invitations to turn to the giver of life and receive what He provides. For these long and beautiful weeks, we will walk to the cross by way of Ezekiel, a book heavy with sin and rich with redemption. We will sit with the exiled prophet and hear God's promise: "I will put breath in you so that you come to life. Then you will know that I am the Lord." Please consider joining us in this journey—either on Thursday evenings or on your own.

Contact Kathy Panning if you need more information or help obtaining the daily devotions and Scripture readings.
