

Holy Lamb Lutheran Church

2541 Forestbrook Road
Myrtle Beach, SC 29588

April 2022

Dear Brothers and Sisters in Christ,

As we conclude our second year of dealing with Covid, it is worth noting how Holy Lamb has responded to this challenge. Here are some of the significant developments driven by our desire to continue an effective ministry in this new environment:

1. By immediately implementing a video production of our worship services, we never missed a Sunday or midweek service. We began by using an iPhone, and were soon blessed with a Mevo camera from Lutheran Church Extension Fund. This served us well for over a year. We are now upgrading to a wall-mounted camera that will no longer be a visual or physical obstruction during our worship.

Our viewership has steadily increased over the course of our broadcasting history. We now consistently have 50 to 80 views on our Facebook page. I expect that most viewers are our own members and friends who are unable to attend in person due to travel, health or other reasons. But we have many out-of-town regular viewers who are former members or friends or relatives of members. Those viewers extend our viewing audience as far as Florida, California, and Minnesota, as well as many locales in between.

As the first century church discovered, and as the church has continued to demonstrate over the centuries, when Satan attacks the church, the Holy Spirit responds, and the church thrives.

2. We also took advantage of our *usually* temperate weather by conducting our worship services outside whenever possible. And the definition of ‘possible’ surprised me as we had 45 people attending on our front lawn when the temperature was 45 degrees!

We further expanded our worship opportunities by broadcasting a radio signal to our parking lot, allowing those who had difficulty traversing our lawn to worship, and then commune, with us. Our on-the-lawn and parking lot opportunities enabled those who were still ‘Covid-concerned’ to participate and commune even after we moved back inside.

3. Our Bible studies also continued, uninterrupted, by using Zoom. Again, this expanded our participation by making our recorded studies available to those who are not able to attend in person. From those who need to be absent due to doctors’ appointments or illness, to viewers in California who appreciated our study of Revelation, the proclamation of the Gospel and study of God’s Word has *increased* because of our response to Covid.

We were even able to conduct a new member class during the lockdown, receiving members into our congregation who had not yet been inside the building.

4. Our shut-ins also saw a benefit from our outside-the-box thinking. Since we now had recordings of our worship services, we purchased 8 Samsung electronic tablets and downloaded our worship services to the tablets, weekly. These were distributed to our shut-ins who do not have internet access, along with bulletins, on a weekly basis, to allow them to participate remotely, after the fact.

This practice continues even now, providing an opportunity for our shut-ins, whether long-term or temporary, and even while hospitalized, to continue to hear the Gospel, sing the hymns, and join in the joy of corporate worship.

All of the efforts listed above were accomplished only because significant numbers of members worked to accomplish them. Many thanks to all who enabled these outreach ministries. These efforts demonstrate that Holy Lamb has a keen desire and ability to respond to actual needs when we become aware of them. In this same way of thinking, as I reported last month, we will begin to address those needs, in the congregation and the community, that were identified in our Sunday morning Bible study. The committee will soon begin its work of outlining the process for each identified program. This list of proposed programs and outlines will be presented to Council. Each program that is approved will be assigned to a new committee, tasked with developing a complete plan to bring that program to fruition.

Accomplishing all of this will require continued dedication by all of our members. As more information becomes available, please stay abreast of the developments, and look for opportunities for you to become involved, using the gifts and talents God has blessed you with, to further the work of His kingdom at Holy Lamb.

Of course, we cannot discuss the success that God is granting our ministries without acknowledging his guidance and inspiration as it relates to our finances. Throughout the challenges of Covid, and continuing as we move beyond, we have responded generously, providing all that has been necessary – and then some – to continue our expanding ministry.

I thank you for that commitment and encourage you to continue that generous spirit as we embark on new and exciting ministries to proclaim the Gospel in word and deed.

In His Service,

Pastor Panning

Stewardship

There is a section in the hymnal for stewardship songs. One of my favorites is #783 - *TAKE MY LIFE AND LET IT BE*. It moves me every time we sing it. It calls on God to show us the way. "Take my hands and let them move at the impulse of thy love, take my feet and let them be swift and beautiful for thee" This an inspiration to me and guides me in daily service to God. Is there a hymn that speaks to you more than others? There was one Sunday, as we were singing the sermon hymn, Pastor interrupted and went into the sermon calling our attention to the words we were singing. Next time we are singing, let us pay attention to the words. For me stewardship is a way of life. I think this song *TAKE MY LIFE and LET IT BE* says it all.

Eileen St. Clair, Board of Stewardship

Disaster Response Online Giving Ukraine Relief

The southeast district of LCMS has made an ONLINE GIVING portal available on their website to anyone who wants to contribute to the UKRAINE support fund or the local area DISASTER RESPONSE ministry.

A link to their ONLINE GIVING form is available now on our website.

Click on the GIVING tab on our menu for access to the ONLINE GIVING form. The donation can be a one-time or recurring donation and requires a credit card.

Gifts given to the UKRAINE support fund will be placed in an account restricted to providing assistance to people who are being persecuted and displaced because of the war in Ukraine. The LCMS will issue grants to/through our Lutheran partners in the region best positioned to deliver compassionate care in Christ Jesus' name, **and tell those fleeing the conflict of our Lord's love for them in Christ Jesus**, by connecting them to faithful Lutheran congregations. The situation is developing and we pledge to use every gift wisely to accomplish the greatest good possible in ways that deliver the Gospel as human needs are met

Disaster Response Conference and Training March 10-12, 2022

We had an amazing experience along with 85+ individuals from the Southeastern District who attended the Disaster Response Conference at the Ocean Reef Resort.

The first guest speaker on Thursday morning was Pastor Panning. Pastor stressed the importance of “Where is God When Disaster Strikes?” We are his servants and God is with us, using our special gifts God has given us. God’s presence is seen in your presence, the physical labor and the comforting of people. It is seen in your hugs and heard in your voice and in your prayers.

Additionally, Pastor conducted the Sheetrock Installation Training which was an intense, fast pace introduction to hanging drywall. Pastor introduced all the necessary tools, basic fundamentals of those tools, techniques and tips.

The second day of our conference began with a session called JOY in the Midst of Disaster, then onto Emotional/Spiritual Responses in Disaster Victims and the importance of the Food Ministry.

Pastor Panning, commonly known as the “Smoked Meat Meister” provided his famous BBQ for Saturday’s lunch, serving 40 men and women. These individuals attended a “hands on” training session in our church back yard, cutting trees with chain saws, tarp training and learning the operation, maintenance and transport of tractors and grapple machinery.

Elder's Note

My father was a third generation printer, stood on his feet all day working in a hot print shop. In Georgia the heat and humidity played with the paper products, and as well made for a physically hard, demanding job. When dad would arrive home, he was dead-beat tired most every day. The first thing he would do while waiting on mom to finish making supper, would be to sit down in his rocking chair. He was finished working for the day. Dad would then remove one shoe, and would breathe a sigh of relief. After a few minutes he would remove the other shoe and again breathe a sigh of relief. I once asked him why he did not remove both shoes at once, and he said that he was able to double the enjoyment by removing them separately. Hard to argue with that.

But the important thing was that he sat down. He was finished for the day. In both the Nicene and Apostle' Creeds we say the words speaking of Jesus, *and sits at the right hand of the Father*. Jesus has completed his work. Salvation is ours. The enemy is defeated. The Strife Is O'er and the Victory is Won!

Bret Rhoades, *Head Elder*

Ushers Needed

Our church relies on volunteers to help us run smoothly. Without you, it would be difficult to do the many things we need to do. We are in need of **ONE** volunteer to usher for the 8am service and **ONE** more volunteer to usher for the 10:30am service. Just one hour a month is all we're asking ~ male or female. Please consider helping out with this important part of our worship services.

Thank you!

Bible Study Opportunities

Sunday Morning Bible Study

Lutheran Worship

9:15 AM

The Liturgy of our worship service, is a conversation between God and his children. In this conversation, we receive God's gifts and we respond with thanksgiving. In this conversation, God's gifts are delivered through his word and sacrament and we respond using God's own words from scripture. This study explores the deep truths of scripture that we proclaim every Sunday. Join us to discover a new richness available to us every time we gather for worship.

Tuesday Morning Bible Study

Romans

9:00 AM

Forgiveness is the reason for our hope of eternal life and a new relationship with God. It is also the source of a new relationship with each other. We will look at forgiveness using Paul's letter to the Romans, as he instructed them in the basics of Christian faith.

Wednesday Evening Bible Study

There is no Wednesday evening Bible Study during Lent. Will resume on April 27th

Thursday Evening Women's Bible Study

Details below on this page

6:30 PM

Women's Bible Study

The women's Thursday night Bible study meets Thursday evenings at 6:30 on Zoom. All women are welcome to join us! Use Holy Lamb's standard meeting code.

We are using the reading plans provided at www.shereadstruth.com. You can find the daily Scripture readings and devotion at their website or sign up for their daily email or download their app. The website and emails are free; some of the plans on the app have a nominal charge. There is also a weekly podcast that discusses that week's readings. *We would love to have you join us! And whether or not you meet with us, this can be another easy way to develop a daily Bible reading habit. (For those men who are feeling 'left out', there is also a 'He Reads Truth' reading plan at the website!)*

During the last weeks of Lent, we will complete our study of Ezekiel and then walk through the Scriptural accounts of Holy Week.

On April 18, we will begin a study called The Armor of God. Throughout the Bible, the Lord reminds us that life as believers won't always be easy. As we follow where God leads, we'll face spiritual opposition. But we're never alone in the fight against those forces. As followers of Jesus, our strength comes not from ourselves but from the God who has already secured our victory. In this two week study, we will look at Ephesians 6:10-20, along with additional passages from the Old and New Testaments, to explore the armor of God with which we're equipped every day. Join us as we are reminded of what it means to be clothed in the victorious strength of God forever, in everything.

Contact Kathy Panning if you need more information or help obtaining the daily devotions and Scripture readings.
